Returning to Active Practice: Direct Client Care Register

This algorithm (next page) does not apply to students or conditional registrants such as International Pharmacy Graduates (IPG). For definitions of registration categories, please consult the Pharmacy Act and Regulations (available on NBCP website LINK). All applications must meet administrative requirements for registration and licensure. For a complete listing of these requirements, please consult NBCP website LINK.

Registration Committee recommendations may include (but not limited to): Completing formal CCAPP or ACPE-accredited program and/or PEBC Examinations

Guidance regarding Continuing Professional Development Portfolios can be found at the Ontario College of Pharmacists: LINKS http://www.ocpinfo.com/practice-education/qa-program/learning-portfolio/faqs/ and http://www.ocpinfo.com/library/forms/download/Learning%20Portfolio.doc

All candidates must certify completion of an orientation program under supervision of a member before practicing independently.
