New Brunswick College of Pharmacists Ordre des pharmaciens du Nouveau-Brunswick

1. Life Membership

This award may be presented to a pharmacy professional (active, retired or posthumously) for outstanding service to the College, Council or the profession. This individual would have given countless hours of volunteer service to the College or Council through participation in committees or volunteer service to the work of the College. A pharmacy professional may also be considered for this award if they have provided pharmacy services in circumstances which required exceptional commitment of personal time and energy to meet the needs of patients.

The pharmacy professional will have practiced pharmacy for a minimum of 25 years in the province of NB and would also be a previous winner of a Meritorious Service Award from the College.

2. Meritorious Service Award

A. Meritorious Service Award - to the College

This award may be presented to a pharmacy professional (active, retired or posthumously) who, while not a candidate for the Life Membership Award, has contributed significant service to the College, Council or the office.

B. Meritorious Service Award – to the profession

This award may be presented to a pharmacy professional (active, retired or posthumously) who, while not a candidate for the Life Membership Award, has contributed significant service to the pharmacy profession. It recognizes pharmacy professionals:

- who have advanced the profession through innovative practice and/or outstanding and significant service to the people of New Brunswick in the practice of pharmacy, or
- who have exhibited leadership in the mentoring of current or future pharmacy professionals, and
- whose professional practise has exhibited undeniable patient centricity.

3. Presidential Citation Award

This award may be presented to any person or organization who has made a significant contribution to the profession of pharmacy.

As such this could be a pharmacy professional or member of the public and would most likely recognize the completion of a specific project, venture, research or service to the profession or the work of the College.

4.  **Partnership in Progress Award**

This award may be presented to pharmacy professional(s) who have fostered a collaborative relationship with one or more health-care professionals or professions. The nomination should clearly demonstrate that the collaboration has had a positive effect on optimizing patient care and/or the health or safety of the public.

5.  **Pharmacy Teamwork Award**

This award may be presented to a pharmacy professional(s) who have demonstrated a commitment to teamwork within a pharmacy practice. The pharmacy professional(s) must play a key role in the leadership and execution of the team, demonstrated skills must have a positive impact on patient care, patient safety, and/or the advancement of pharmacy services or the profession.
