NEW BRUNSWICK COLLEGE OF PHARMACISTS –LAY REPRESENTATIVE ON COUNCIL

We are currently looking for a member of the public to join the Council of the New Brunswick College of Pharmacists (the College) as a Lay Representative. This is an exciting opportunity for someone to add their voice as a member of the public to the leadership of the practice of pharmacy in New Brunswick and how it is governed. With a mandate to promote and protect the health and well-being of the public in this province, the College values the participation of, and contributions from, our Lay Representatives on Council who have equal voting privileges as do other members of Council.

Our ideal candidate is preferably bilingual (English & French), has expertise in finance or a legal background and may or may not have previous board member experience.

Eligible applicants are current residents of New Brunswick and have never been a licensed pharmacy professional in the past. Applicants are also subject to Regulation 2.2 [\[LINK\]](#) which outlines circumstances under which a person is disqualified from being a councillor.

The New Brunswick College of Pharmacists is building cultural competency within the organization and believes our mission, *Governing the practice of pharmacy for a healthier New Brunswick*, can only truly be achieved if we recognize the unique needs and cultures in the communities where we live and where pharmacy is practiced.
